**1. Understanding of job conditions and duties:** Motivated Culinary Arts graduate with over 3 years of hands-on experience across private dining, luxury lodge, and fast-paced cafe environments. Skilled in preparing diverse cuisines—including authentic Indian, regional Zimbabwean, and classic English dishes—with a strong foundation in station setup and kitchen operations. Seeking a culinary role in an international environment to apply strong work ethics, expand culinary expertise, and deliver exceptional dining experiences to guests.

**2. Purpose of travel to Lithuania:** work

**3. Physical health condition:** heathy and fit

**4.1. Professional training:** Higher National diploma in culinary arts

**4.2. Work experience (company name, position, duration, responsibilities)**

| COMPANY NAME         | POSITION   | DURATION | RESPONSIBILITIES                                                                                                                                                                               |
|----------------------|------------|----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
